The National Honor Society was first organized in Thomas Jefferson in 1927 and functioned until 1937.

This year the faculty felt there should be a revival of the Society. In April the faculty voted in 21 seniors and 10 juniors of the upper 15 per cent and 10 per cent of these classes respectively. The members are chosen on the basis of character, scholarship, leadership, and service, the ideals set up by the National Honor Society. Mrs. Clara Strickland is the sponsor of this group.

A formal induction ceremony was held in May at an assembly program.

The group sponsored a dance to start building up funds in their treasury.

LIBRARY CLUB

Assisting the students of Thomas Jefferson during study halls or after school was the Library Club. This useful organization was sponsored by Miss Dorothy Thornton and Miss Clara Louise Gathmann.

In order to become a member of the Library Clubb, a training course, an examination, a vote of the members, and grades of a B average are required.

During part of 1946-1947, Thomas Jefferson was without a librarian and a substitute teacher, Mrs. Covert T. Brown, was put incharge of the library. Miss Thornton returned in December to take over her position again as librarian.

New shelves were put into Room 106, so all the books in the library had to be shifted.

On February 21, the club sponsored its 13th annual Colonial Ball, at which the ten best loved girls were presented to the school. The club consists of thirty-nine girls.

G. A. A.

The G.A.A.-Girls' Athletic Association—was organized at Thomas Jefferson in 1929 and the purpose is to promote interest in physical activities for all girls. A letter is presented to each girl who earns 500 points and a state pin for 1,000 points. In order to earn these, four points an hour was given for every hour spent in any type of athletics.

Girls may become members of the club by having earned 50 points. These are earned also by taking part in athletics.

Five senior girls were chosen to go to Maryville, Missouri for Play Day at Maryville College. Members from this organization also participated in the May Fete.

Y. G's

The Y.G.'s—Yellowjacket Girls—was organized in 1946. To become a member the girls were those interested in athletics. Girls who now become members are voted in by those who are already in the club. Sponsors of this organization are Miss Mildred Smith and Mrs. Elizabeth Aker.

When any girl earned 500 points she was entitled to a letter and with 1,000 points she received her state pin. For every hour spent in any type of athletics four points were earned. To achieve this it was necessary to play games after school and participate in out of school athletics such as: roller-skating, cycling and swimming.

From this organization five senior girls were chosen to go to Maryville, Missouri for Play Day at Maryville College.

LETTERMEN CLUB

The Lettermen's Club was composed of boys who had won letters in one or more of the school's four major sports. The purpose of this organization was to improve athletic conditions and to set a good example for the rest of the school.

The annual football, basketball and wrestling banquets were held for the lettermen and their fathers; and letters were presented to the members of the respective teams.
The Lettermen's Club sponsored the West-End Track Meet in order to promote the freshmen and grade school sports.

They also participated in the "1947 Road Show" with their Minstrel Boys Act and attended the annual picnic held in May.

FOOTBALL

With the return of nine lettermen the Tee Jay Yellowjackets opened the 1946 football season in good fashion, the fancy Jeffs trounced Missouri Valley on the home field Sept. 13, 1940. Venturing to Central for their next fray, the Orangemen displayed ever detail of a perfect football team. They remembered well the defeat Central handed them last season, reckoning their fine chance for the inter-city title. The Jeffs really poured it on defeating Central 31-6.

On Oct. 4, the first A. L., T. J. game, we saw the Jeffs take a hard earned 12-6 victory. After a few minutes of play the Jeffs held a 6-0 count on the hilltoppers. A. L. came back to knot the score 6 all. After the half the Jeffs came back to score again to win.

The next on the Jeffs card was Omaha North which proved to be a battle from start to finish. The Vikings scored first to lead the Jeffs till the final period. Two long aerials from Burkey to Pettit payed off for 6 points. Malone made a beautiful "dive" over the center for the winning point, giving the Jeffs a 7-6 victory.

The Yellowjackets' victory streak continued as they took an easy 13-0 victory over Benson. Boystown invaded the Yellowjackets gridiron on Oct. 26, to end the winning streak for T. J. and making it their eighth straight victory 19-6.

Creighton Prep crushed the Jeffs chances for a inter-city title in a 16-6 victory on their own field November 1.

The final game of the season with A. L. was a real treat for the Tee Jay fans. The Yellowjackets ran, passed, and kicked to a tune of 26-7. Chuck O'Brien and Ray Burkey thrilled the packed stadium on long runs following the intercepting of passes.

The Yellowjackets displayed all season great offensive power with speedy backfield. The forward line proved well by landing two members on the All-State teams. Bob Pettit, first team end, and Chuck O'Brien fifth team center.

BASKETBALL 46-47

The basketball team turned in a very good season in spite of the inconveniences.

They were compelled to practice in different places due to the smallness of T. J.'s gym. Also at mid-year graduation the team lost its height, Bob Pettit, and a good guard, Jack Cook.

The outstanding game of the season was with Creighton Prep. Being favored to win, Creighton proceded in doing so the first quarter with the score 10-6. From there Tee Jay took the lead, holding a 22-14 advantage at the rest period. It was a battle for the lead throughout the last half with Tee Jay emerging victorious by the score of 44-42.

This defeat put Creighton out of the Intercity and Interstate race.

The Creighton game showed that Tee Jay was no push over as did all the rest of the games.

Another game in which Tee Jay showed its power was the first of the two games with A. L. Keeping in front or a point or two behind us to the fourth quarter. Then A. L.'s noted fast break, which Tee Jay kept under control the first half, broke loose the last quarter and put the Lynx out in front. The Yellowjackets fought gamely but could not regain the lead.

"T. J. WRESTLING"

The rough and tough Yellowjacket wrestling club swept through a 13 game schedule with but 2 defeats to mar their record. They took Second in the Inter-City and won the district Meet. They then went to Clarion and got a hard earned third. They placed one point behind Osage which got Second. The team produced one State Champion. That was Don Ryan in the 145 lb. class. Bill Connell Co-Captain of the team got a hard earned second. Walt Furler and Dick Lewis both got to the finals but only got thirds. Sherman Stark and Jim Aten both got thirds also. Returning letter men for next year will be Don Ryan, Jim Aten, Henry Carmichal, Bob Christenson, Walt Furler and Sherman Stark. Both Sherman and Walt will be back for one-half semester only next year because they are mid-semester graduates. Dick Lewis, Don Willett, Bill Connell, and Don James will be lost after this year because of graduation. Bill Smith, Bud Rich and Jerry Snyder were lost during the year due to graduations and their absence from the team was felt most severely. Until they left the team was undefeated having defeated A. L. twice, Tech. twic, Omaha Central once and Omaha South once. They also turned back North and East Des Moines. T. J. won over an undefeated Ft. Dodge High School team 24-14. Coach Orr will be hit hard by graduations.
